Principal

Mr. Michael R. Radday
Superintendent

Ms. Kerry Pillittier
Assistant Principal

Dr. Robert W. Finn
Director of Guidance

Senior Parents and Students:

This is a follow up to my letter earlier this month.

Westhampton Beach High School graduation will take place on Friday, June 25, 2021 at 6:00p.m. With the Governor lifting most of the restrictions, there will not be a limit on the amount of guests allowed. Tickets will not be required for the graduation. We will continue with the plan to live stream the event, allowing family members and friends to watch from their phone, computer, or other device. Our goal is to post a link on our webpage allowing anyone to view the ceremony. Additionally, a professional photographer will be there taking pictures of each graduate.

A few things for the ceremony:

Parking/Seating: Please enter school grounds via Oneck Lane. Once on our campus, you will be directed into a parking spot by one of our school personnel. For guests with disabilities, we have made accommodations. Please request assistance from the parking lot attendant who will direct you to the designated parking area. Transportation will be provided by golf cart from the parking area to the seating area. Students will report to the auditorium at 5:30 and parents will be directed to the field.

Recessional: When students leave the field, they will go to the back of the High School to hand in their gown and collect their diploma. If students owe anything such as a textbook, library book, AP money, etc. they will not receive their diploma until these items are returned. That can take place the following week.

Although most restrictions have been lifted, masks are still required for unvaccinated individuals. This is based upon the honor system and no other verification is necessary.

Looking forward to seeing you on graduation day.

Sincerely,

Christopher Herr Ed.D
Principal
