STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

- **1. EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.
- 2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.
- 3. **COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller's approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

- **4.** <u>WORKERS'</u> <u>COMPENSATION</u> <u>BENEFITS</u>. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.
- 5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture. sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.
- **6.** WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in

Page 3 June 2023

accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

- 7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.
- 8. INTERNATIONAL BOYCOTT PROHIBITION. accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).
- 9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.
- **10. RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records

The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. 25. <u>CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.</u>

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. **IRAN DIVESTMENT ACT.** By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: https://ogs.ny.gov/iran-divestment-act-2012

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. <u>ADMISSIBILITY</u> OF <u>REPRODUCTION</u> OF <u>CONTRACT</u>. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

Board of Education and Audit Committee Westhampton Beach Union Free School District 340 Mill Road Westhampton Beach, New York, 11978

Dear Members of the Board of Education and Audit Committee:

We are pleased to confirm our understanding of the nature and limitations of the internal audit services we are to provide for the Westhampton Beach Union Free School District (District) for the year ending June 30, 2025. We will provide internal audit services for the District as follows:

Detailed Testing

We will provide the internal audit services as agreed upon by the Board of Education (Board) and the management of the District, as listed below, on out-of-district tuition, billings, accounts receivable, receipts, cash management, and food service and compliance with policies and procedures of the District during the period from July 2023 through April 30, 2025.

Our services will be conducted in accordance with auditing standards generally accepted in the United States of America and the applicable standards contained in *Government Auditing Standards* issued by the Comptroller General of the United States, or the *International Standards for the Professional Practice of Internal Audit* issued by the Institute for Internal Auditors. We will also consider the guidelines promulgated by the New York State Education Department, as applicable.

Out-of-District Tuition

- Review Board policies and District procedures related to the out-of-district tuition activities.
- Interview District personnel responsible for out-of-district tuition activities related to:
 - Determining the tuition rate to be charged to the component districts (e.g., Seneca Falls).
 - Preparing, calculating, tracking, and recording invoices.
 - Receiving, posting, and depositing funds.
 - Managing, reviewing, and investigating outstanding accounts receivable balances.
- Review processes related to billings, collections, receipts, and deposits to ensure proper segregation
 of duties and identify opportunities for operational efficiencies.
- Obtain a 5-year trend of out-of-district tuition amounts and analyze the data for anomalies and/or patterns for discussion with District administration.

T:\Office\50,000's\58700\Engagement\Engltr\2025\Engltr IA - DT 2025_Tuition, Billing, AR, Receipts, Cash Mgmt.docx

- Select 5 of the invoices (one for each sending district) prepared by the District during the 2024-25 year and perform the following:
 - Ensure completeness, accuracy, timeliness, and proper controls over billings (i.e., pre-numbered invoices).
 - Verify that there are appropriate controls over collections (e.g., checks are endorsed), funds are properly safeguarded, and receipts are deposited timely.
 - Ensure that any refunds or credits were handled appropriately.
 - Verify that the transactions were recorded properly in the WinCap financial system (i.e., revenue, cash, accounts receivable, etc.).
 - Ensure that collection efforts were adequately followed, if there was an outstanding balance related to the invoice. (i.e., aging reports).
- Review the 5 invoices prepared by the District during the 2024-25 year related to the adjustments to the 2023-24 billings to the sending districts based on the actual tuition rates per New York State's Rate Setting Unit.

Billings, Accounts Receivable, and Receipts (excluding extraclassroom activities)

- Review Board policies and District procedures related to billings, collections, and receipts (i.e., cash, checks, money orders, and online transactions) in the Business Office and at the schools.
- Interview Business Office personnel regarding policies, procedures, and systems in effect related to the billings, collections, and receipts, including online transactions.
- Interview staff employees responsible for billings, collections, and receipts activities, including online transactions that are handled at the schools.
- Document the internal controls and procedures related to billings, collections, and receipts, including
 online transactions that are performed at each location; note the strengths and weaknesses within
 the process; and identify the key control attributes for testing.
- Review the procedures related to online transactions that include managing the activity and
 accounting for the receipts to ensure that the transactions are recorded to the proper budget codes.
 Randomly select 25 receipts collected through online transactions during the period to ensure the
 accuracy of amounts and budget codes and the timeliness of recording the transactions.
- Review receipts activity for the period and randomly select 15 deposits for each secondary school
 and 10 deposits for the elementary school to ensure proper documentation, accuracy of totals,
 appropriate controls over collections (i.e., receipt books) and timeliness of submission to the
 Business Office when funds are collected at one of the schools.

<u>Cash Management</u>

- Interview with appropriate personnel regarding internal controls and procedures related to all types
 of cash transactions. Document the various systems and identify key internal control attributes for
 testing.
- Select 2 months for each cash account for testing and perform the following:
 - Obtain a detailed general ledger activity report for the period and trace a selection of entries to supporting documentation or the financial sub-system that generated the entry. For entries that

are not generated from the financial system, we will identify the person processing the entry and consider the internal control ramifications.

- Compare balances in the treasurer's report for the 2 months selected to the general ledger and obtain explanations for any variance.
- Review security access controls in the financial system relative to the cash accounts to ensure appropriate levels of access are provided.

Food Service

- Review Board policies and District procedures in detail related to the food service function.
- Interview personnel responsible for school food service activities regarding policies, procedures, and systems in effect and identify the strengths, weaknesses, and key controls.
- Review school food service activities during the period as follows:
 - Randomly select 10 daily receipts from each school during the period and ensure that the respective deposits were posted to the bank account accurately and timely.
 - Select 1 full week of receipts during the period and ensure that the receipts agree with the deposits.
 - Select 2 months and ensure that the number of meals per the food service sales records agrees with the figures reported for state and federal meal reimbursements.
- Perform a visual inspection of the cashier activities for approximately 1 hour during lunch operations, which includes the counting of funds and the closing procedures at each school.
- Review the process for reconciling and reporting revenue to determine if actual sales and prepayments (i.e., funds applied to student accounts) are accounted for properly and accurately.
- Review a selection of purchase orders for 3 of the largest food service program vendors during the period and examine up to 3 invoices from each related to those purchase orders to determine if the policies and procedures of the District have been followed.
- Select an additional 10 disbursements of the school food service program to determine if the policies and procedures of the District have been followed.
- Select 15 students with free or reduced meal status and review supporting documentation for the determination regarding eligibility.
- Review the Food Service budget for the 2024-25 year and compare it to the 2023-24 budget and the 2023-24 actual expenditures. Obtain an explanation for unusual variances.
- Prepare a chart that shows the total revenue, total expenses, profit or loss, and fund balance amounts for the past 5 fiscal years. Review the fund balance amount in the school food service fund regarding the six-month average expenditure level allowable by federal regulations 7CFR Part 210.14(b).

This engagement is solely to assist the District in reviewing the activities of the areas listed above. The sufficiency of the procedures is solely the responsibility of those parties specified in the report; therefore, we make no representation regarding the sufficiency of the procedures previously described either for the purpose for which this report has been requested or for any other purpose. If, for any reason, we are unable to complete the procedures, we will describe any restrictions on the performance of the procedures in our report or will not issue a report as a result of this engagement.

Westhampton Beach Union Free School District

Year Ending June 30, 2025 Page 4 of 5

Because the internal audit procedures previously listed do not constitute an examination or review, we will not express an opinion on the effectiveness of the internal controls of the areas reviewed during this engagement. In addition, although we may perform additional procedures during the engagement, we have no obligation to perform any procedures beyond those listed above.

We plan to begin our procedures during May, 2025, and unless unforeseeable problems are encountered, the engagement should be completed by July 31, 2025.

Report

We will submit a report detailing the procedures performed and our findings. This report is intended solely for the use of the Board, audit committee, and management of the District, and should not be used by anyone other than these specified parties. Our report will contain a paragraph indicating that had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Fee

We estimate that our fees for these services will range from \$18,000 to \$20,000. This fee will be based on the scope of work within the range of fees listed in our proposal dated July 30, 2024, and will be based upon the estimated time and the following hourly rate schedule (in effect through June 30, 2025):

Partner	\$ 225
Director of Internal Audits	185
Principal/Manager	185
Supervisor	170
Senior	155
Staff	130

The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

At the conclusion of the engagement, we will require a representation letter from management that, among other things, will confirm management's responsibility for the operations of the departments and areas reviewed during this engagement in accordance with District policies and procedures.

Our invoices will be rendered as work progresses based on the hours of work completed and are payable on presentation. If, for any reason, we are unable to complete the engagement, we will not issue a report as a result of the engagement.

If the need for additional procedures arises, our agreement with you will need to be revised. It is customary for us to enumerate these revisions in an addendum to this letter. If additional specified parties of the report are added, we will require that they acknowledge in writing their responsibility for the sufficiency of procedures.

Year Ending June 30, 2025 Page 5 of 5
